Message

I am happy to know that a Buddhist delegation from Bangladesh is attending the United Nations Day of Vesak Celebration in Bangkok, Thailand.

Bangladesh is a land of communal harmony and every community observes its religion very peacefully here. It is also a land of high Buddhist cultural heritage and the Buddhists of this land are the vibrant and resourceful community.

I hope that this conference will usher in a new path towards the establishment of world peace.

I sincerely wish the United Nations Day of Vesak Celebration a great success.
