UNITY

It is an honour to be invited to 'The celebration of the 7th United Nation Day of Vesak' which is to be held in Ayutthya and Bangkok on 23-25 May 2010.

MCU and ITRI, the main organizers of the various events are the means of unity between Mahayana and Theravada Buddhism

I take this opportunity to send this message to all participants; this occasion of meeting asks of us all to have real dialogue to listen and speak to each other in gentleness and tenderness.

In such ways we walk together to unity, peace and love.
