**Congratulatory message of the Triratna Buddhist Community in Estonia**

I am extremely pleased and honoured to give my congratulations on this noteworthy occasion of the United Nations Day of Vesak Celebration 2011. On behalf of the Triratna Buddhist Community and of all Buddhists in Estonia I wish to express my respect and congratulations to the Royal Thai Government and to Mahachulalongkornrajavidyalaya University for all their hard work towards making this celebration a success. My wishes for health and wellbeing go to His Majesty the King of Thailand on the occasion of his 84<sup>th</sup> birthday.

I am looking forward to meeting with delegates from all around the world to discuss the vital issues of Buddhist Virtues and Socio-Economic Development. May I express my sincere thanks to the hosts and organizing committee for inviting me and giving me the opportunity to be part of such an important event.

May the 2011 United Nations Day of Vesak Celebration be a great success and may all participants gain inspiration from their involvement.

With metta,  
Yours in the Dharma,

Oleg Kangur,

Trustee,  
Triratna Buddhist Community,
