**Congratulatory Message
United Nations Day of Vesak Celebrations & Buddhist Conference
2011/B.E. 2554**

A very warm congratulations on the 84th Birthday Anniversary of His Majesty the King & 8th International Celebration on the Occasion of United Nations Day of Vesak 2011/2554 from the New Zealand Diamond Sangha. It is heart warming to see and be invited to participate in the support and veneration of the Buddha's offering to the world and the work and teaching of his disciples through the ages up to the present day. In particular, our heartfelt appreciation for His Majesty the King and all the faithful Dhamma supporters who keep the Dhamma alive and work to liberate all beings in this uncertain fragile world.

We wish you every success with investigating and promulgating Buddhist Virtues within the framework of Socio Economic Development. We also wish you all success with informing and impassioning people of the world toward the plight of this wonderful planet and its inhabitants, with whom we are truly blessed to share.

With palms together

Yours in the Dharma
