**Congratulatory Message**

It is of great joy and honor for me to have being invited again to Thailand to be present in both the 8<sup>th</sup> United Nations Day of Vesak Celebration and 84<sup>th</sup> Birthday Anniversary of His Majesty the King.

This 8<sup>th</sup> UNDV international Buddhist gathering is a great opportunity to share, learn and debate about what can we do both as a group and individuals, to help people to help themselves and walk the way to a world peace and happiness. Real inner peace will manifest in real world peace.

I wish congratulate the International Council of United Nations Day of Vesak (ICUNDV) and the Mahachulalongkornrajavidyalaya University (MCU) in general, and in particular to all individuals from Most Venerable Prof. Dr. Phra Dharmakosajarn to all volunteers for their hard and great work.

I also wish to thank the Supreme Sangha Council and Royal Thai Government both for their blessings and support.

And I respectfully would like to wish peace and happiness to His Majesty the King.

Yours in the Dharma,

Yo Ryu Alzaa Ho Shi
