Congratulatory Message

It is on behalf of the members of PSH Korea, I would like to express my warm greetings and congratulations to the Organizing Committee for the 8th International Celebration on the Occasion of United Nations Day of Vesak 2011/2554 held in Thailand.

Nowadays Vesak Day, commemorating the Birth, Enlightenment and Final Passing Away of the Lord Buddha, is not only celebrated by the Buddhist but also the people being associated with the Buddha's universal message of peace.

As followers of the Lord Buddha, more than anything, we have to enhance the level of mutual trust and integration a step. This means we have to admit the other side. We should try to solve problems through dialogue and compromise, and even after a conclusion is reached we have to cooperate. What has been promised should be carried out with responsibility so that our society will have a higher degree of predictability.

As for it, this gathering is the good chance to help raise awareness of the harmonization in both its achievements and its challenges in the world.

Again, on behalf of the PSH Korea, I send my best regard to the members of the Organizing Committee who have persevered in their efforts on UNDV 2011.

Yours in Dhamma
