Homaging to the Triple Gem on the occasion of UN Day of Vesak.

I would like to extend my heartfelt thanks to Most Ven. Dr. Phra Dharmakosajan, Rector and Mahachulalongkornrajavidyalaya University and staffs UNDV for preparation.

I am sure that Buddhist Leaders from all over the world will seek for peaceful solution for all matters which threaten world peace through the Buddha's teachings.

If we have something to achieve sustainable peace and harmony with endless efforts there should be shown the way of peace and coexistence for mankind.

It is a great honour to my attending UNDV. May the occasion of UNDV give happiness to the mankind and develop in future.

Thank You.

Most Ven. Lee Do-Sung

Dean, Donggook Buddhist Chonbop College
