Congratulatory Message

United Nations Day of Vesak Celebrations & Buddhist Conference
2011/B.E. 2554

We deeply appreciate the Sangha Supreme Council of Thailand and the Royal Thai Government and the Mahachulalongkornrajavidyalaya University (MCU) of Thailand for their invitation to participate in 8th International Celebration on the Occasion of United Nations Day of Vesak 2011/2554. This is a precious opportunity for those who practice Buddhism in Cuba and who work to plant the Buddha dharma in Cuban land. We hope that our participation opens the way to future exchanges with all other Buddhist traditions in our country who were not able to attend this year's celebration. We attend with the certainty that many doors will be opened if we know how to wisely unite our wills.

We express our sincere and warm congratulations for this splendid effort to join us together in this event that will enrich our spirit to better serve humanity.

With my vows for Peace, Happiness and Freedom for the world,

Alejandra Pino Díaz
