Congratulatory Message

It is honor and Privilege for me to participated 9th United Nations Day of Vesak will be held in Ayutthaya and Bangkok, Thailand from 31 May – 2 June 2012. I am also happy to knowing that The Royal Thai Government has been the host and Mahachulalongkornrajavidyalaya University (MCU) the principal organizer.

It has been decided by the International Council for Day of Vesak (ICDV) that 9th International Celebration on the Occasion of United Nations Day of Vesak 2012/2555 again would be held in Thailand. It will be organized by Mahachulalongkornrajavidyalaya University (MCU) of Thailand. With the blessings of the Supreme Sangha Council and the Royal Thai Government, the celebration of the 9th United Nations Day of Vesak will be held in Ayutthaya and Bangkok, Thailand from 31 May – 2 June 2012 it's really appreciable. I think The Supreme Sangha Council of Bangladesh is an important participant in the ICDV.

I would like to give my warmest congratulation to the Organization committee and Royal Thai Government and Royal Thai Sangha to promote Buddhism which will surely become a landmark in the Buddhist History; I believe that under great leadership the MCU will develop solidarity and brotherhood among all Buddhists of the World.

At present, the whole world is in great troubles, racial conflict, Terrorism, Imperialism and so many problems are making the world restless. But we all should live in peace and harmony. I sure believe that the 9th International Vesak Celebration will play major role in world through the principles of Buddhism.

This will also awaken vision of the Buddha in our world and contribute to emergence of a global enlightened society.

I wish the conference every success and be the Summit a landmark in Building peace and harmony in the World.
