Congratulatory message United Nations Day of Vesak Celebrations and Buddhist Conference

I am pleased to send a message of greetings to the 9th International Celebration on the Occasion of United Nations Day of Vesak 2012 to be held at Bangkok from 31 May – 2 June 2012. Hereby, I would like to express my gratitude to the Royal Thai Government for again supporting this year's celebration and the President of the International Council of the UN day of Vesak and Rector of the MCU for hosting and organizing this auspicious event, and all those who have made this conference successful through their support and uttering efforts.

We are delighted that the focus of this Vesak theme is The Buddha's Enlightenment for the Well-Being of Humanity. We do believe that the conference will surely enhance the bonds of friendship between Buddhists from different culture and regions and allow a fruitful exchange of ideas and strengthen understanding among Buddhists toward working together for the peace and harmony.

Yours in the Dharma,

Dr. Dolgor Tsedev
